

Elisa MultiSIMi teenuse aktiveerimine Apple Watchis

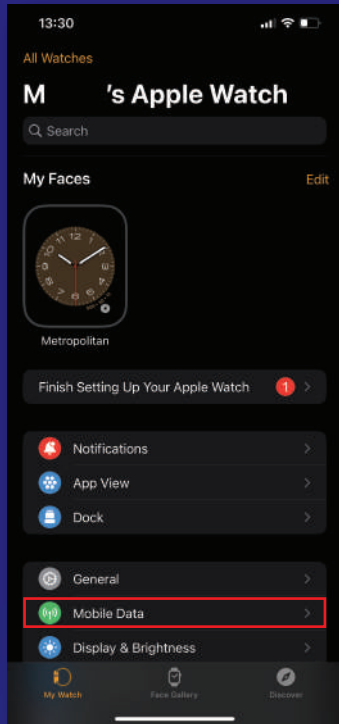

MultiSIM teenuse toel saad paljusid nutikella funktsioone kasutada ka juhul, kui jääd nutitelefoni koju. Kasuta treeningute ajal GPSi, kuula muusikat, audioraamatuid ja podcaste just seal, kus tahad. Lihtsalt pane kell randmele ja jäta telefon rahu koju!

MultiSIMiga liitumiseks telli ja aktiveeri teenus oma iPhone'is.

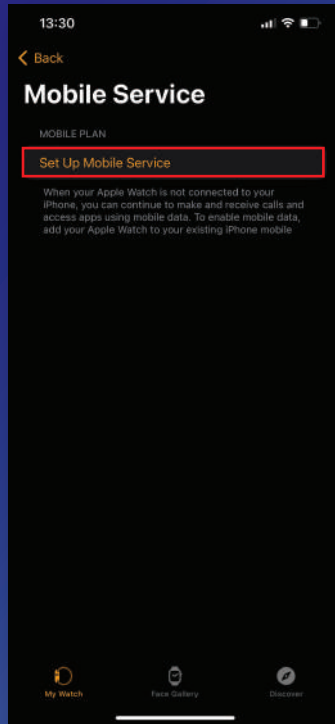

Järgnevalt selgitame, mil moel MultiSimi teenust aktiveerida.

Liitumine

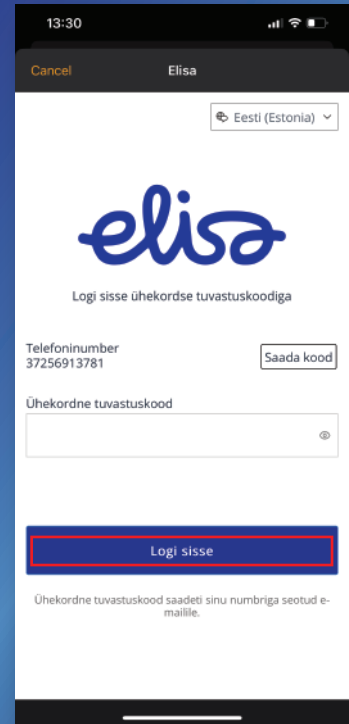

1. Vali telefoni Watch rakenduses "Mobile Data".

2. Vali "Set Up Mobile Service".
